H Boston Jermon Esq re

for the sake of my children, who are most kind and affectionate to me. My love to your wife, and many thanks for the generous to me.

Always yours sincerely
J. Keats

Will you have the kindness to send me two or three envelopes, that I may not trouble you so often.

I should also be glad if you would send me an ounce of fine Rhubarb seed. It is for a Lady who has a fine garden here, and has been very kind to me.
